

PDF instruction manuals are no longer distributed in this zip file, as the documentation has moved online to <https://exceltographviz.com> .

The legacy PDF manuals are still available for download from SourceForge at the following URLs:

Windows – <https://sourceforge.net/projects/relationship-visualizer/files/Relationship%20Visualizer%20-%20Win.pdf/download>

macOS - <https://sourceforge.net/projects/relationship-visualizer/files/Relationship%20Visualizer%20-%20Mac.pdf/download>
